

Sanger sequencing of VR inserts

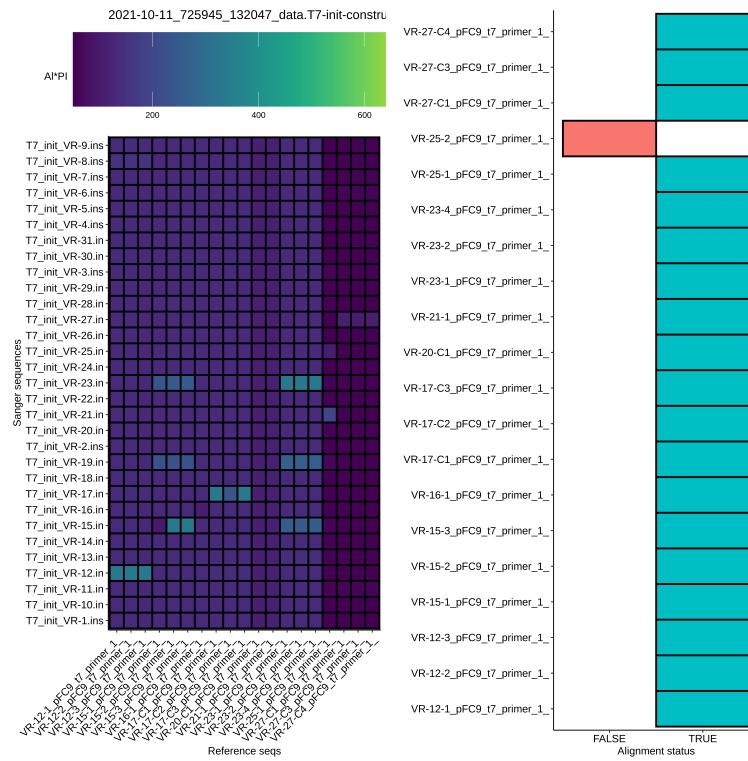

October 13, 2021

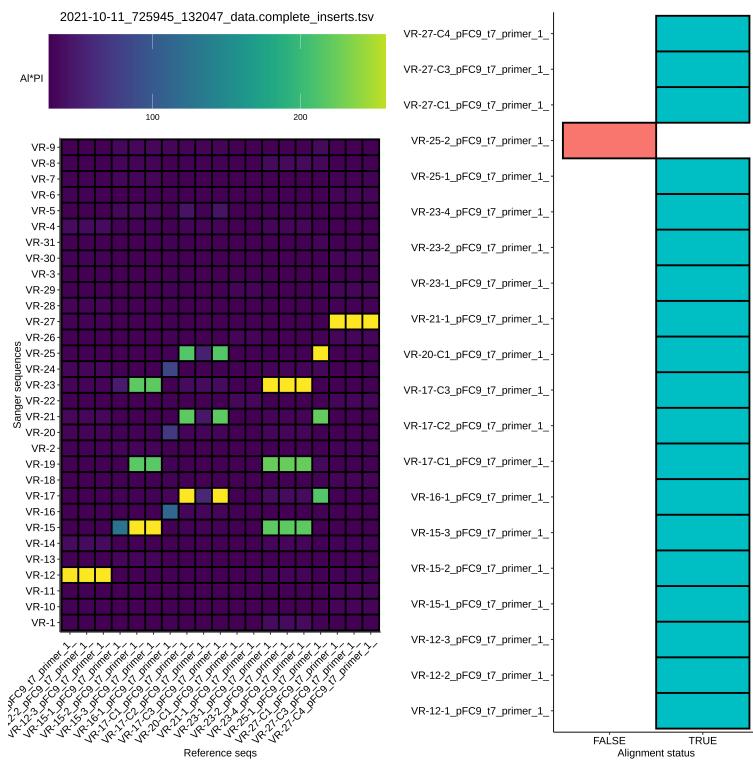

Abstract

This document was automatically generated via Sanger sequencing pipeline blah.

1 2021-10-11_725945_132047_data

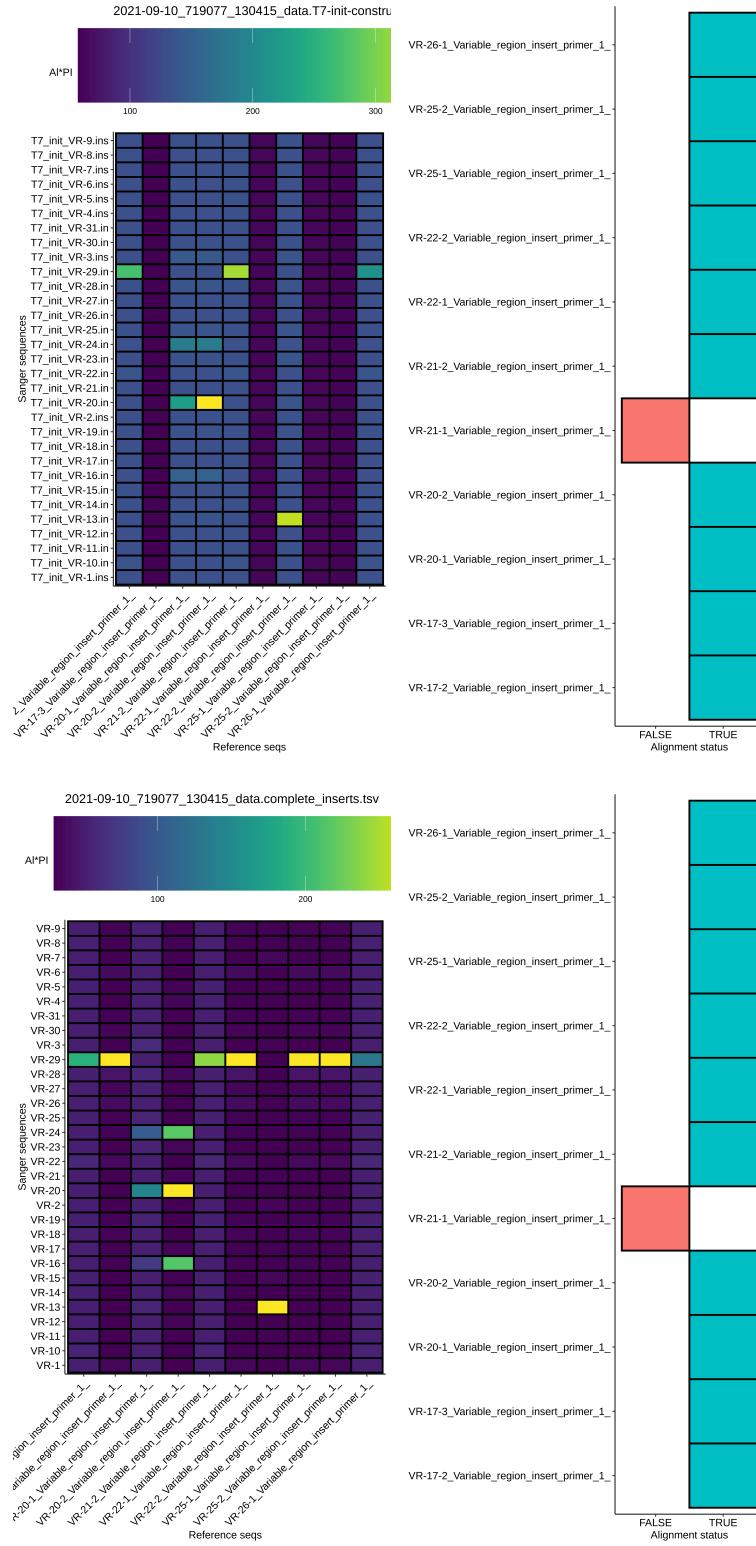

Sanger sequencing run completed on 2021-10-11 including a total of 20 sequencing run(s).

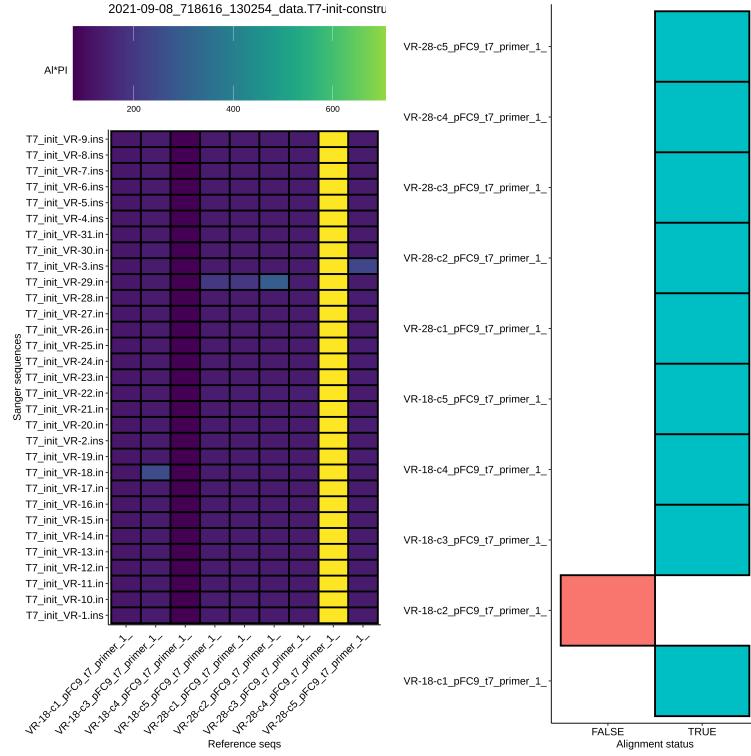

2 2021-09-10_719077_130415_data

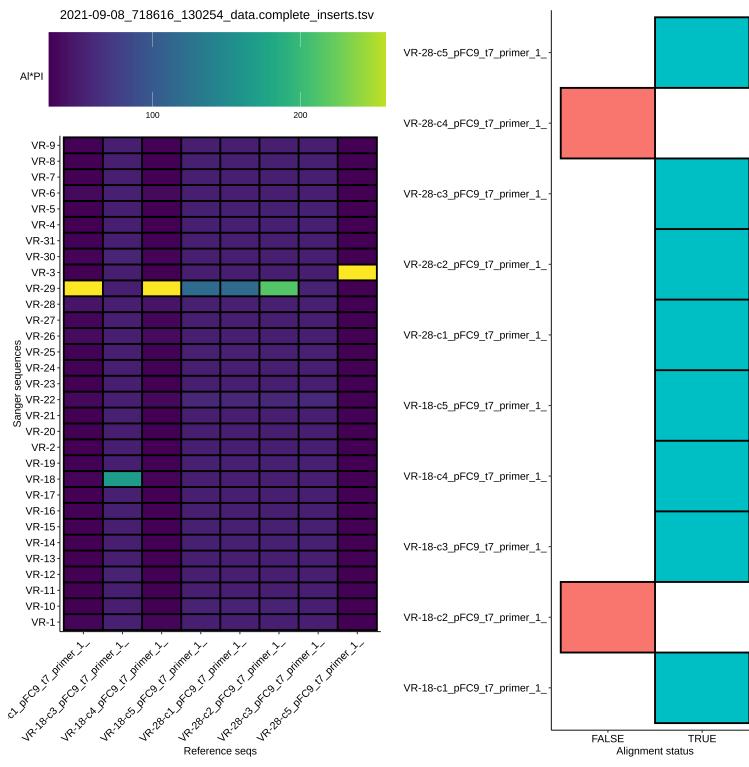

Sanger sequencing run completed on 2021-09-10 including a total of 11 sequencing run(s).

3 2021-09-08_718616_130254_data

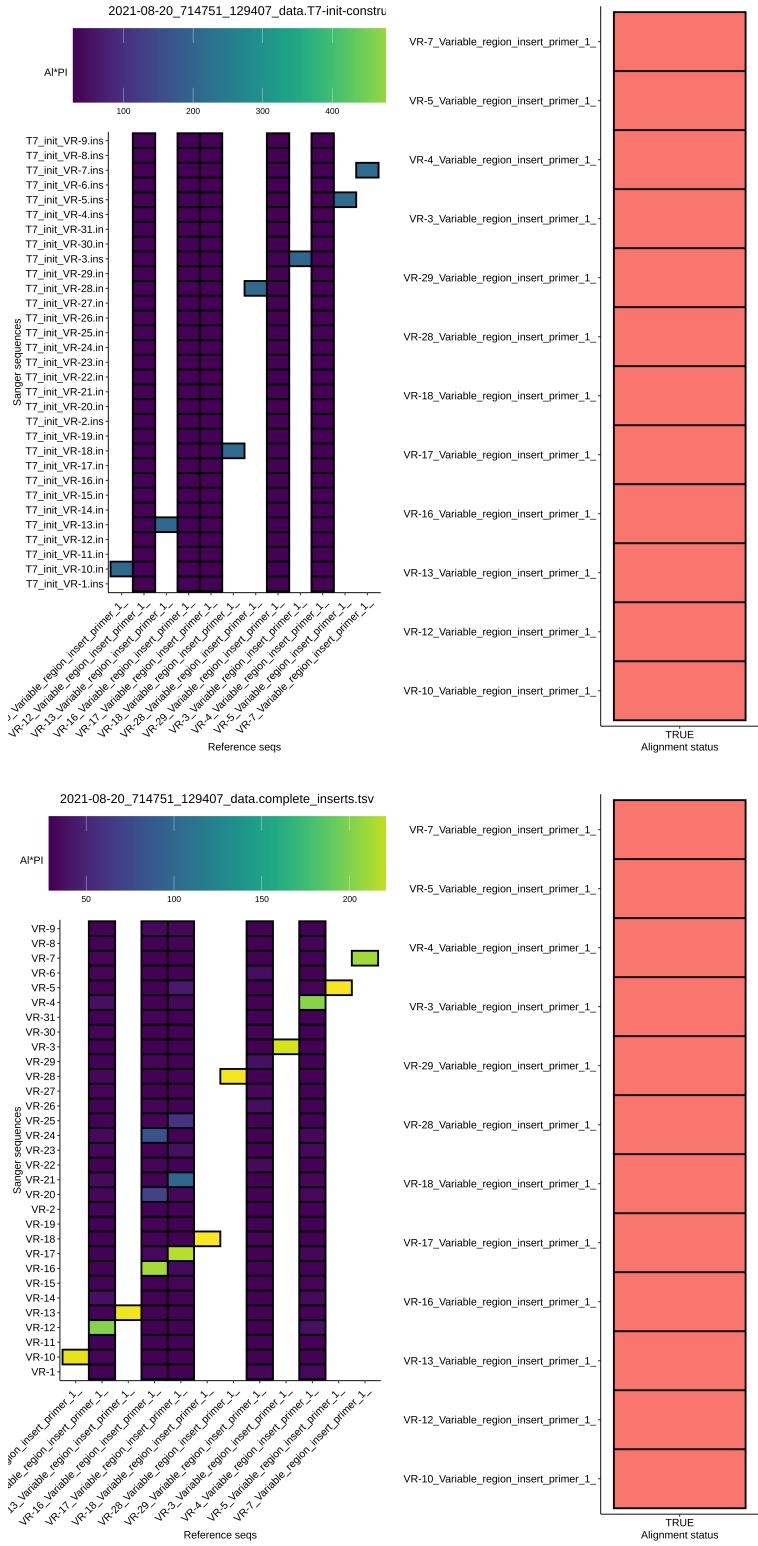

Sanger sequencing run completed on 2021-09-08 including a total of 10 sequencing run(s).

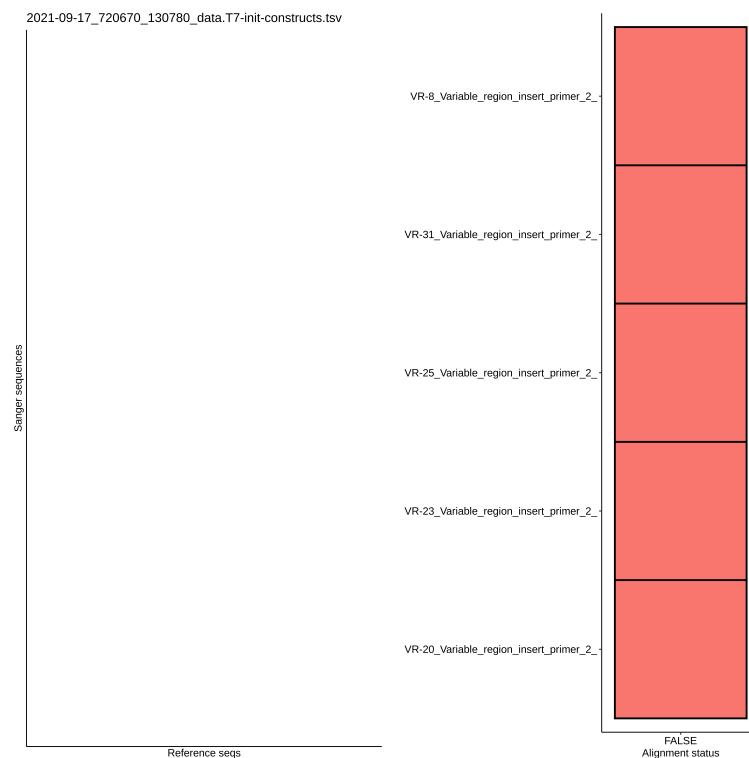

4 2021-08-20_714751_129407_data

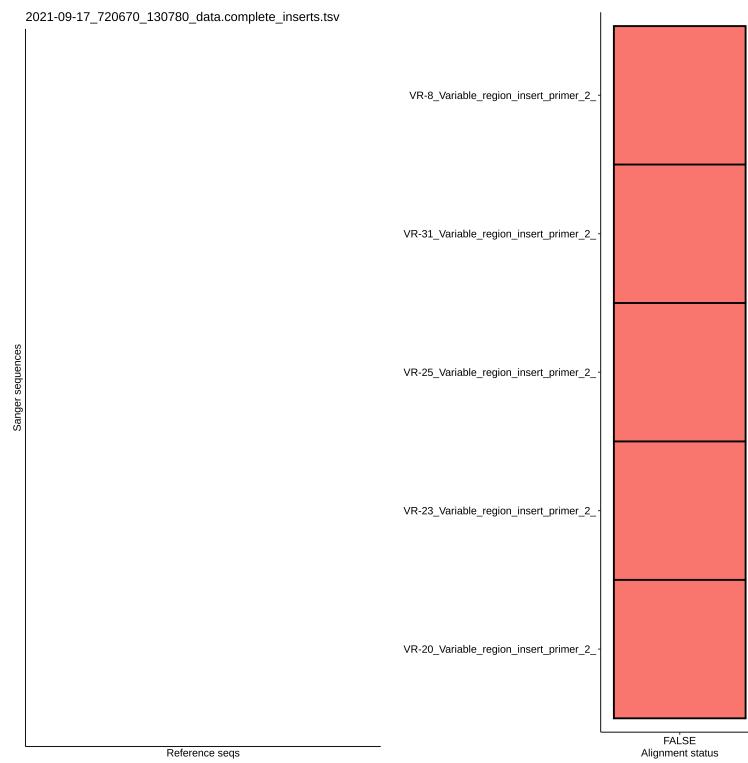

Sanger sequencing run completed on 2021-08-20 including a total of 13 sequencing run(s).

5 2021-09-17_720670_130780_data

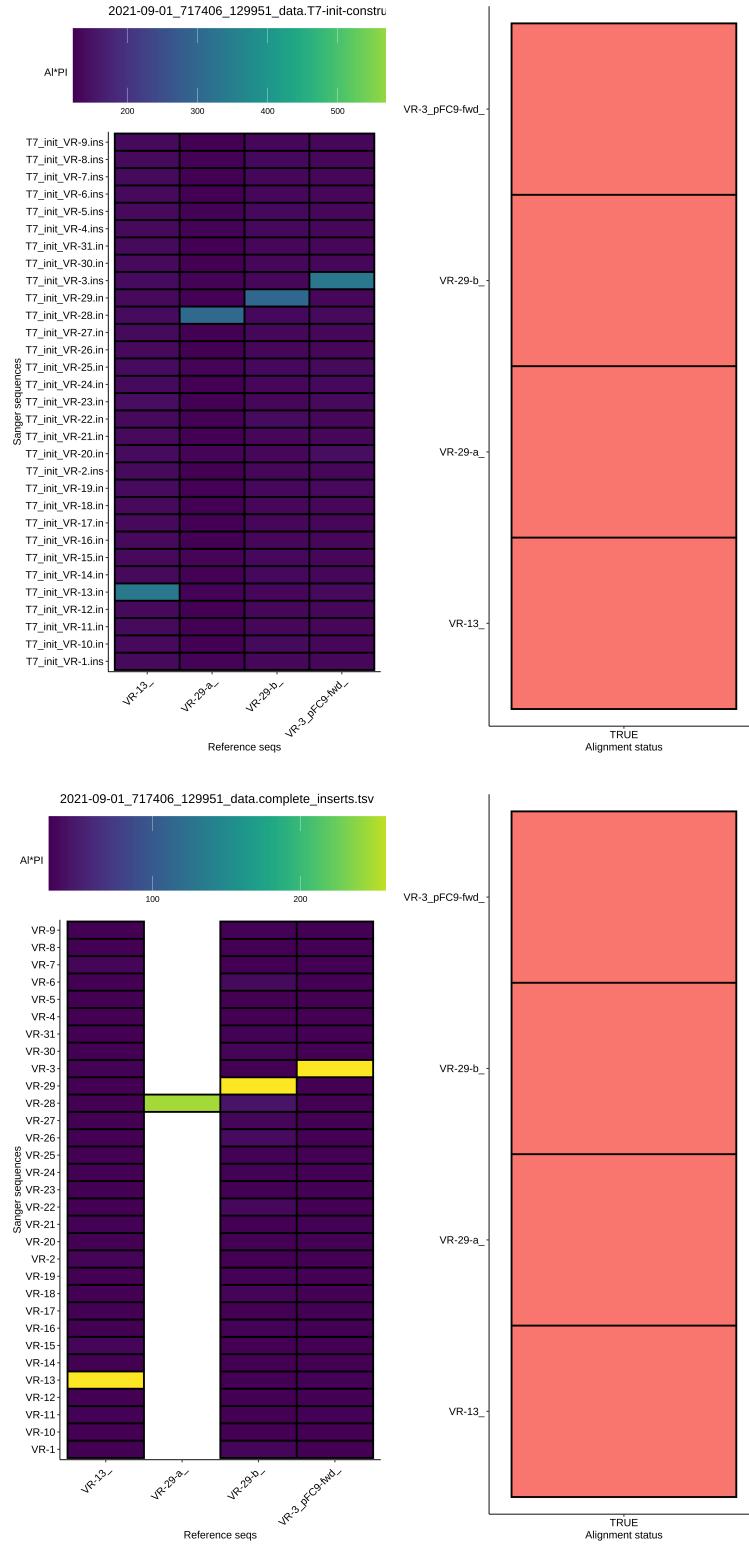

Sanger sequencing run completed on 2021-09-17 including a total of 5 sequencing run(s).

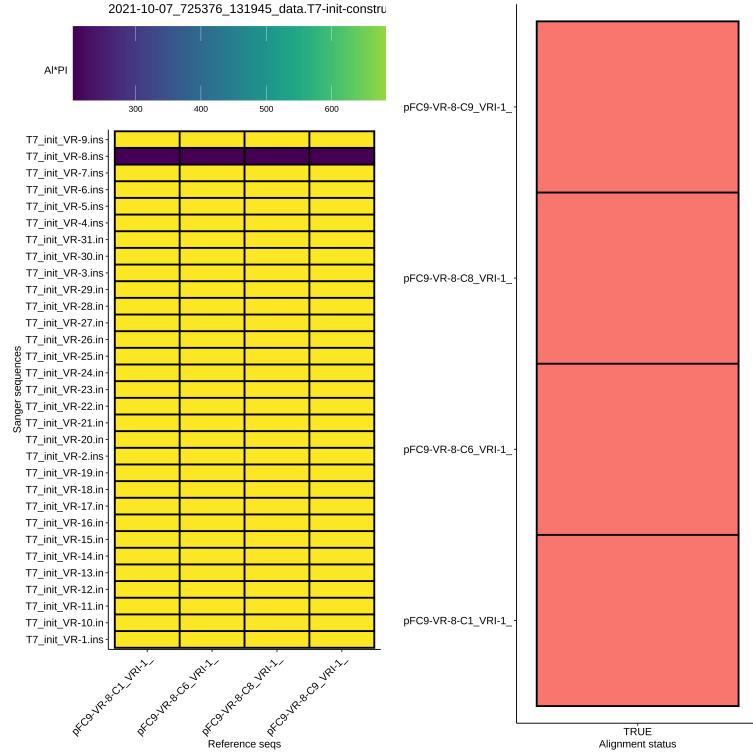

6 2021-09-01_717406_129951_data

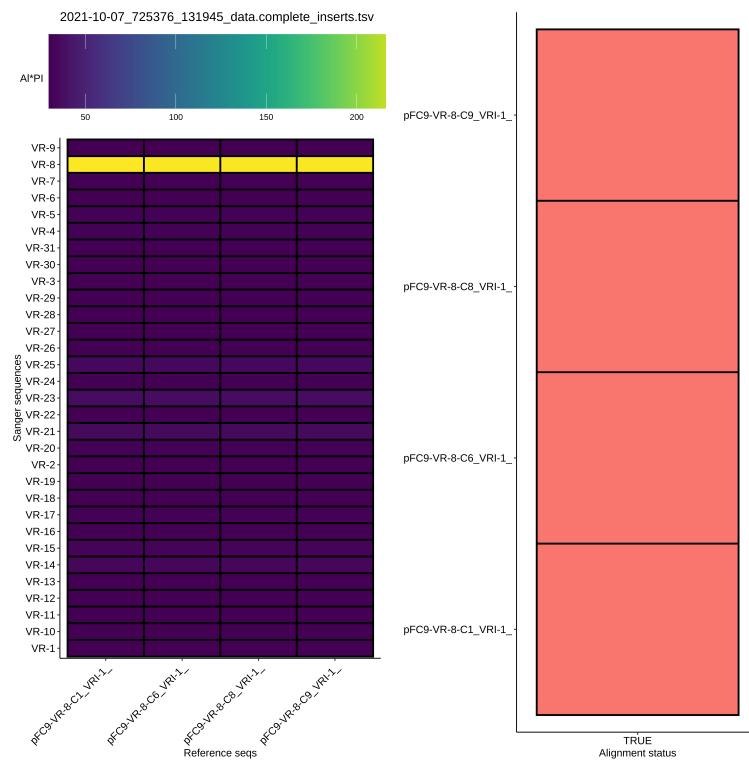

Sanger sequencing run completed on 2021-09-01 including a total of 4 sequencing run(s).

7 2021-10-07_725376_131945_data

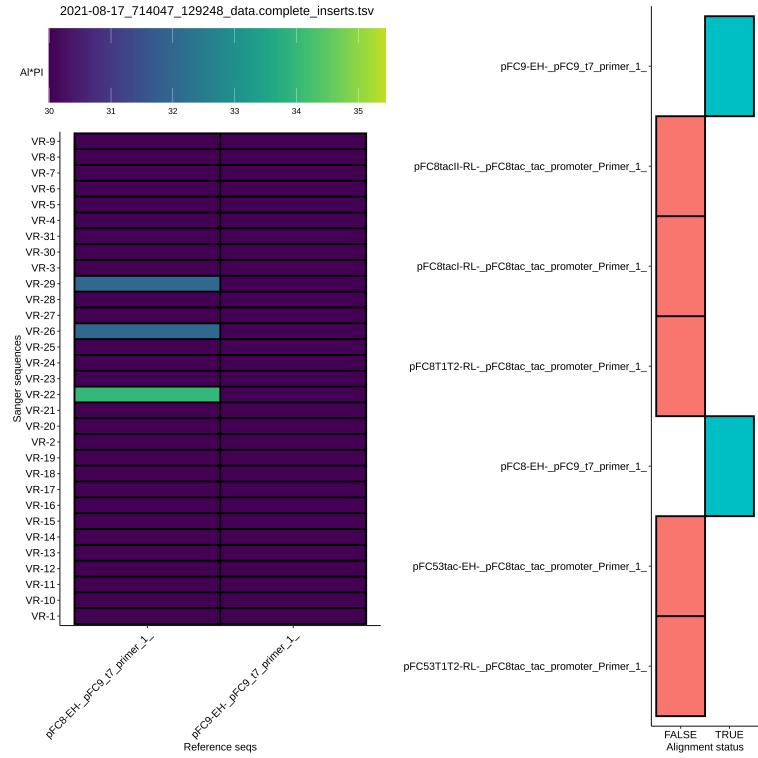

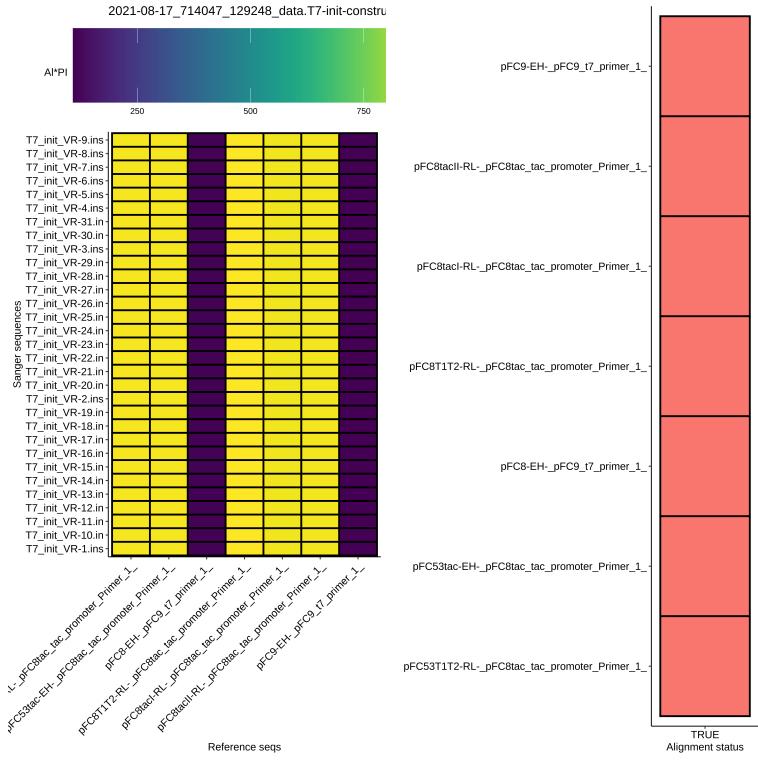

Sanger sequencing run completed on 2021-10-07 including a total of 4 sequencing run(s).

8 2021-08-17_714047_129248_data

Sanger sequencing run completed on 2021-08-17 including a total of 7 sequencing run(s).

9 2021-09-07_718313_130254_data

Sanger sequencing run completed on 2021-09-07 including a total of 17 sequencing run(s).
